Featuring keynote speaker G. Jeffrey MacDonald, author of PART TIME IS PLENTY! Join us for an initial "Come and See" to discover the dozens of ways our churches are learning to DO SOMETHING DIFFERENT

YOU ARE INVITED

Over half of our PCUSA congregations have under 100 members. The first time a church can't afford full-time clergy leadership affects that church's psyche. Some adopt. Some don't. The Synod of the Pacific decided to focus on these congregations as well as clergy who serve less than full-time pastorates to see how together we might DO SOMETHING DIFFERENT!

Join us if you are -

- Lay leaders of churches under 100
- Pastors serving Part-Time pastoral calls
- Presbytery Execs and COM folk seeking ways to better serve these congregations and pastors.
